PROFESSIONAL SUMMARY

Senior UI/UX Designer and Visual Designer with **10+ years of experience** delivering user-centered digital products, design systems, and cross-platform responsive interfaces. Proficient in end-to-end product design — from user research, journey mapping, and wireframing to high-fidelity prototyping and developer handoff using Figma, Adobe XD, and Sketch. Led UI/UX redesign of HEYO Phone and MyOperator, **increasing trial-to-paid conversions by 22%** and **reducing bounce rate by 30%**. Experienced in Agile/Scrum environments. Passionate about accessibility (WCAG/ARIA), data-driven design decisions, and building scalable component libraries.

EXPERIENCE

MyOperator

January 2020 – Present

Senior UI/UX Designer — Product Design & Visual Design

Remote

- Led end-to-end UI/UX redesign of **HEYO Phone** and **MyOperator SaaS platforms** — including user research, journey mapping, wireframing, prototyping, and developer handoff — **boosting trial-to-paid conversions by 22%** in 6 months.
- Redesigned core navigation, user flows, and information architecture, **reducing bounce rate by 30%** and improving average session duration and engagement across web and mobile.
- Built and maintained a **scalable design system and component library in Figma**, enabling consistent UI across 3 product lines and **cutting design-to-development handoff time by 35%**.
- Integrated AI-assisted design workflows to accelerate creative iterations, **reducing design cycle times by 30%** and speeding up go-to-market campaigns.
- Delivered high-fidelity interactive prototypes and usability testing plans; identified and resolved key pain points, **reducing user-reported issues by 40%**.
- Partnered with product managers, engineers, and marketing teams in Agile/Scrum sprints to deliver dashboards and campaign assets, driving **15% higher lead conversions**.
- Mentored and managed a **team of 3 junior designers**, establishing design review processes and improving team delivery efficiency by 20%.

MyOperator

June 2018 – December 2019

Senior Web Designer — UX Design & Responsive Design

New Delhi

- Designed and launched responsive websites and landing pages optimised for conversion and accessibility (WCAG), driving a **25% increase in average session duration**.
- Developed wireframes, user flows, and interactive prototypes for product and marketing pages, **shortening design approval cycles by 20%**.
- Produced responsive, mobile-first UI layouts across **15 major product releases annually**, ensuring consistent cross-device and cross-browser performance.
- Created **100+ Facebook Paid Ad creatives** and digital marketing assets, boosting campaign click-through rates by 18%.
- Used heatmap analytics and A/B testing insights to iterate on UI elements, delivering a **12% uplift in sign-ups**.
- Directed homepage UX redesign strategy, **reducing bounce rates by 30%** and strengthening lead generation effectiveness.
- Collaborated with sales and marketing on **30+ pitch decks and case studies**, accelerating deal closures by 10%.

MyOperator

August 2014 – May 2018

Graphic Designer — Brand Design & Visual Communication

New Delhi

- Created comprehensive branding assets, visual identity guidelines, marketing collaterals, infographics, and **50+ sales decks**, improving pitch success by 15%.

- Developed reusable design templates and style guides for proposals and internal tools, **reducing content creation time by 25%**.
- Produced social media visuals, digital campaigns, and presentation design assets, driving a **30% increase in follower engagement**.
- Delivered design support for **100+ client campaigns** using Adobe Creative Suite (Photoshop, Illustrator, InDesign), contributing to 12% faster project delivery.
- Executed high-impact infographics and data visualisation assets, generating a **20% improvement in digital campaign performance**.

KEY ACHIEVEMENTS

Industry & Content Awards

- **Best Visual Designs 2023** — MyOperator Brand (Industry Award)
- **STORYZ Award by AFAQS** — Recognised for Outstanding Digital Storytelling
- **Best Blog/Articles** — Silver Category 2023, MyOperator
- **Best User-Generated Content** — Gold Category 2023, HEYO Phone

SKILLS

UI/UX Design : User Interface Design, User Experience Design, Product Design, Interaction Design, Information Architecture, User Flows, Wireframing, Prototyping, High-Fidelity Mockups, Responsive Design, Mobile-First Design, Design Systems, Component Library Development, Usability Testing, Accessibility (WCAG 2.1/ARIA), Conversion Rate Optimisation

Visual & Graphic Design : Visual Design, Brand Identity Design, Typography, Color Theory, Grid Systems, Iconography, Illustration, Motion Graphics, Infographics, Marketing Collateral, Presentation Design, Data Visualisation

Tools : Figma, Adobe XD, Sketch, InVision, Axure RP, Zeplin, Miro, Adobe Photoshop, Adobe Illustrator, Adobe InDesign, Adobe After Effects, AI Design Tools, HTML, CSS

Research & Strategy : User Research, Stakeholder Interviews, Persona Development, Journey Mapping, A/B Testing, Heatmap & Analytics Interpretation, Competitive Analysis, Heuristic Evaluation, Data-Driven Design

Collaboration & Leadership : Agile & Scrum, Cross-Functional Team Collaboration, Stakeholder Management, Team Mentoring, Design Sprint Facilitation, Creative Direction, Developer Handoff, Project Management

EDUCATION

Shridhar University	2013
<i>Bachelor of Arts</i>	Pilani

CERTIFICATIONS

Complete Web & Mobile Designer: UI/UX, Figma & More — Andrei Neagoie, Daniel Schifano

Generative AI Skills for Creative Content — Ashley Kennedy

Multimedia Course — Aptech Arena Animation
